TRAINING INFORMATION FOR PROVIDER SUCCESS (TIPS) CALENDAR

The Training Information for Provider Success (TIPS) Calendar permits for-profit, non-profit and governmental organizations to list child care provider training. The calendar lists all training opportunities in date order and provides a search feature that permits access to specific training,

locations, and dates. VDSS offers this site as an informational service and does not endorse any non-VDSS training.

The TIPS Calendar may be viewed at:

VIRGINIA CHILD CARE PROVIDER SCHOLARSHIP PROGRAM

VDSS provides the Virginia Child Care Provider Scholarship Program that pays for college tuition and technology fees for child care providers. The program pays for either a maximum of eight courses or the current maximum lifetime award, whichever comes first, at Virginia's institutions of higher learning, and is funded through the Federal Child Care and Development Fund. To obtain more information call 1-866-636-1608 or visit the Web site at: <http://www.dss.virginia.gov/family/cc/scholarship.html>.

EARLY CARE AND EDUCATION RESOURCE DOCUMENTS

It is vital that we support Virginia's young children as they prepare for school and life success. Consequently, two documents have been developed by the Virginia Early Childhood Alignment Project Task Force to serve as guides to assist adults in their important roles with young children.

The Milestones of Child Development document articulates a research-based set of child indicators and strategies for adults designed to support the growth and development of young children from birth to kindergarten entry. Providers can utilize the Milestones as a reference on child development for program and curriculum planning, and in working with parents to provide information, guidelines, and support in facilitating each child's development.

The Competencies for Early Childhood Professionals document articulates standards for competent practice, identifying what early childhood professionals must know, be able to do, and care about to provide quality early care and education. Providers may use the Competencies as a tool to develop an individual plan for professional development. Employers can utilize the Competencies as a guide in developing hiring practices, salary structures, and employee plans for professional development.

For more information, or to download these valuable documents, visit the Web site at: <http://www.dss.virginia.gov/redirect/?83>.

VIRGINIA DEPARTMENT OF HEALTH, DIVISION OF INJURY AND VIOLENCE PREVENTION

A FREE basic child passenger safety course for child care providers and other staff members is available through the Virginia Department of Health's Division of Injury and Violence Prevention. The 90 minute course is designed to give child care providers the basic knowledge and information needed to properly restrain children during transport (e.g., type of seat needed based on child's age, height, and weight, proper placement in vehicle, etc.). In addition to requesting the training course, providers may also request to have a safety seat inspection for parents during pick-up of their children. To schedule a free class or safety seat inspection, or for more information, please contact Tobey Allen at tobey.allen@vdh.virginia.gov.

VIRGINIA CHILD CARE RESOURCE AND REFERRAL NETWORK (VACCRRN)

VACCRRN, a statewide network, promotes the positive development of all children. VACCRRN network members are local child care resource and referral (CCR&R) agencies that provide services to families, early childhood professionals, and communities. Each VACCRRN agency provides information for consumers on how to select child care and maintains a regional database of providers that links families with child care options.

CCR&R agencies help child care providers maintain and improve quality of care by offering technical assistance and training in their local communities. Many member agencies have lending libraries for toys, equipment, and resources to enhance learning opportunities. Training sessions are scheduled by each member agency to meet the needs of their local providers and are offered via distance learning, as well as individual and group class sessions. In addition to their own training, VACCRRN member agencies provide access to curricula, such as ZERO TO THREE's Partnering with Parents: Preventing Child Abuse and Neglect, and The Center on Social and Emotional Foundations for Early Learning's Promoting Social and Emotional Competence*.

VACCRRN training topics include:
